

# IS A COMMUNITY HERBALIST CERTIFICATION FOR ME?

Are you interested in an information packed course in healing herbs and foods using phytochemistry? You will learn about different herbs and foods, their chemical make up, and how they can heal. While doing this you will become skilled at making herbal remedies and learn to become a clinical herbalist.

Of the graduating students, 85% of them have opened up their own businesses or are working with other clinicians within a year.

This is a one year certification course that meets on the **third Sunday of each month from March to March.**

At graduation you will have learned to identify more than 90 plants, made 24-55 herbal preparations for your own use, and gained the skills in guiding others to restore their health.

*Jeannie Francis*

The instructor for this class is Jeannie Francis, the owner of Spirit to Sole Connection. She has over 55 years' experience working with the energy of plants, phytochemistry, and the healing arts.

Her herbal training started as a young child on the property of Dr James Still of Medford NJ. Through her parents she learned about healing touch like Reiki and Reflexology, as well as, healing objects like stones and crystals. Later she was guided by many local "Pineys", such as Betty Woodford, ladies of the Pinelands Garden Club, the Lenni Lenape of Rancocas, Susun Weed, Louise Henry, Janette Johnson, Jean Cornealson, and many grandmother's of the Earth.

Health

## WHAT WILL THIS COURSE COVER?

Each month the class will focus on a theme, such as; herbs for children, herbs for gut health, herbal remedies for skin issues, men and women's health, herbal hygiene, body products, making herbal jellies, kombucha, fermented foods and much more.

You will explore many facets of herbaling by doing homework, research, and studying clinical clients that relate to our monthly themes.

You will discover how herbaling is used in traditional Chinese medicine, Ayurveda medicine, and homeopathic remedies based on herbal preparations.

You will also become a member of the American Herbalist Guild and meet other herbalist. Many of whom are working in fields open to herbalists.

Your outcome is endless, from growing or wild harvesting herbs, to making herbal remedies, making all organic body products, learning the chemical properties of plants and pharmaceutical's with an in-depth understanding how to now cause contraindications between plant and chemical

## Application:

Each student will need to apply and attend an interview process to be accepted to this course.

During this interview process it will be determined if this course is a "good fit". Factors of a "good fit" are based on prior knowledge, scheduling, etc. Students will leave knowing all expectations and responsibilities for this one year course.

The interview process starts in January 2020. Applications will be accepted until the first week of March, or seats are filled, which ever comes first.

Email for an application or visit <http://spirittosoleconnection.com/application>

There is a \$100.00 application fee. The same is returned if there is not a seat or acceptance of a student.
